

SUMMARY

I am a dedicated **web developer** with 4 months of professional experience as a **Website Developer** at Ierix Infotech, in addition to a 3-month internship at the same organization. Proficient in front-end technologies such as HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and React.js, as well as back-end tools including Java, Servlets, JSP, Maven, Spring Framework, and Spring Boot. I am committed to leveraging my skills to deliver high-quality, innovative solutions and thrive in collaborative, fast-paced environments.
